Q: Additional comments

- 1 Larissa is a great TA. She is knowledgeable and highly considerate of her student's needs.
- 2 Fair grading of tests although I would have preferred grading to be faster so I had time to reflect on performance.
- 3 Larissa did a great job answering questions and supporting students!
- 4 Larissa was always engaged and available to her students throughout the entire course. She thought critically and made adjustments to the class as needed. The class would not have been the same without her!
- 5 I really appreciate the thoughtful answers you give and the real-world (outside of academia) experience you have brought to all of the courses you've TA'd for. It's increased my interest in areas that I was already fascinated by, and made other areas that I was less interested in seem more relevant and like less of a grind.
- 6 Loved the "real world" perspective, wish there was more. Grading was fair.
- 7 Larissa is an amazing lecturer. She is competent and organizes her thoughts well. Whenever she talked in class it always increased my interest in the material as well as cleared up any confusion I was having.
