- 1 Larissa was great. You could tell she really cared about us actually learning the material. She was very open with us and was extremely welcoming. It felt like her door was always open for us to go to office hours. Wish we could've went over more things discussed in lecture than transcription. Would've been helpful to start labs right away in the beginning of the semester.
- 2 Discussion helps me learn what we talked about in lecture better and have a chance to ask questions
- 3 There should be more TA's like Larissa. She goes out of her way to make sure the students understand the lecture topics. Any one would be lucky to have Larissa as a future professor.
- 4 We do more hands on activities, which is more helpful, but would rather have more worksheets and group work rather than lecture set up in lab
- 5 I can positively say that Larissa is one of the best teaching assistants I have had the pleasure of having here at the university. She is very knowledgeable about the information she is teaching the class and she is always willing to search for answers for us if she does not know them. She is able to clearly communicate her points about the material, which makes understanding it easier than if I were to learn it on my own.
- 6 Larissa worked very hard to ensure she was giving us the best tools and instruction to be successful in class. She made us feel comfortable with our questions, and encouraged our learning from mistakes. She came at this class with a very realistic point of view-one that truly wanted the students to succeed and thoroughly understand the material. She knows this is important information for us to comprehend for our future professions and goes out of her way to ensure the understanding of the material.
- 7 She does a very good job of summarizing what is taught in class and making it simpler.
- 8 Laurissa is a great TA. She is so helpful and is able to answer all of our questions.
- 9 I loved having Larissa as a TA, and I hope to have her again in the future! She was a great resource and teacher in class, and she really related to us as students which was nice. She knew her classes and accommodated for students as much as possible. Linguist Llama jokes were a fun start to class. 10/10 would recommend :)
- 10 Larissa was extremely helpful in teaching/reviewing the material and made sure we understood everything. She was always fair with grading and made sure we got the points we deserved.
- 11 Larissa is a great TA! She was always very clear and made sure everyone understood what was going on. I learned a to from her and she was the best!
- 12 Amazing TA. Really makes sure you understand the material and takes the time to help students. Also very caring.
- 13 She is a very, very good TA. She is very good at taking her time when teaching material and allowing plenty of time for students to ask questions. She is also readily available for office hours and answers the questions you need clearly. She really cares about individuals' learning, and it shows!
- 14 Larissa does a great job of explaining the material in a variety of different ways, making it clear for all kinds of different thinkers. She encourages questions and prompts good discussions. I would recommend her and take another class with her in the future.
- 15 Larissa is an amazing teacher and she is so helpful in providing extra resources and answering questions.
