- 3 Larissa was always there if you needed help. She was good at clarifying information and applying it outside of the classroom.
- 4 Larissa was very helpful. Great at answering questions and asking what the students needed. Extremely helpful during office hours and a great liaison between students and professor.
- 5 Overall, Larissa has been a helpful TA and put in a lot of effort to help the students understand the topics. In addition, she has been open to meeting with students outside of office hours to help us understand the material and explain the material in an easy manner to understand. I can tell she puts in a lot of effort and cares about the learning of her students.
- 6 Larissa really tried her hardest to help as much as she could in this class. She really had a lot going on this semester and still made sure she could help us in any way possible for this class, even when she was unsure of what was going on due to instructor and TA miscommunications. She's a great TA!
- 7 Larissa was a great addition to our class. She was always very helpful outside of class during office hours, and was also willing to meet separately from office hours. She was great at answering questions and really put forth an effort to understand what wasn't clicking for me or what I was struggling with. She also contributed meaningfully to class.
